TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of New Ipswich in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Appleton Academy Auditorium in said New Ipswich on Tuesday, the 8th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to accept the budget to raise as estimated therein the necessary funds to transact the town's business for the ensuing year.

4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate $1200.00 for a resident physician.

6. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

7. To see if the Town will raise and appropriate the sum of $1,000.00 to be used in the development, maintenance and supervision of the recreation field, or take any action therein, and to choose one member onto committee to serve for five years.

8. To see if the Town will vote to raise and appropriate the sum of $400.00, to be used in cooperation

with State and Federal funds, for the control of White Pine Blister Rust within the confines of the Town.

9. To see if the Town will vote to raise and appropriate the sum of $702.49 for T.R.A. By so doing, the State will contribute $4683.27.

10. To see if the Town will vote to raise and appropriate the sum of $5000.00 to rebuild, cap and oil a section or sections of highway within the town, selection of location or locations to be made by a committee of five persons, consisting of the selectmen, the road agent, and some impartial citizen chosen by the other four, this sum to be the only appropriation for such work this year, or take any action thereon.

11. To see if the Town will vote to raise and appropriate the sum of $10,000.00 to recontruct bridge number 157/093 (High Bridge), or take any action thereon. Federal and State aid of $30,000.00 will then be forth coming to build this bridge for required specifications.

12. To see if the Town will vote to appropriate sufficient funds to make the bridge across the Souhegan River in Bank Village stronger, more permanent and requiring less maintenance, by making the abuttments adaptable to and installing thereon steel girders with cross bracing, a ⅝" boiler plate bridge floor, same to be covered with black top, or take such action as may be deemed prudent and constructive. Estimated figures for this work will be $4500.00.

13. To see if the Town will vote to authorize the Selectmen to convey, by Quit Claim deed, to Flora C. Hayden the westerly portion of the property conveyed to the Town by Lena B. and John Preston, Executors under the will of Frederic Preston, late of New Ipswich, by deed dated August 17, 1922. Said westerly portion of land having never been used or occupied by

said Town, and for many years having been used and improved by Flora C. Hayden as a part of her property. Said deed to reserve to the Town of New Ipswich the right to use and maintain the well on the northeasterly corner of the said westerly portion of land, and the right to maintain and use the water pipes now running from said well to the Town Building on Main Street, now known as the Selectmen's Office, or take any action relating thereto.

14. To see if the Town will support their Electric Light Commission by giving them full authority in the building of its own power line in order to avert future lack of power and to be able to supply any want imposed upon them by Industrial, Commercial, and Domestic customers and to use only Electric Light Department funds for this purpose. The commission has been working on this project for one and a half years and would hope to realize completion in a four-year plan, or take any action thereon.

15. To see if the Town will appropriate the sum of two hundred dollars ($200.00) to buy and erect a tablet in memory of the men and women of New Ipswich who served in World War II: this tablet to be in a place at the Memorial Field in time for the Memorial Day exercises.

16. To see if the Town will vote to raise and appropriate the sum of $350.00 for rental and maintenance of the Page Hill Dump. If the Town leases or rents this dump in so doing, they will assume all responsibility, such as fire or mishaps, and plow out the snow so it can be used the year round.

17. To see if the Town will vote to raise and appropriate the sum of $192.00 (1/100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southwestern New Hampshire for issuance and distribution of printed matter, newspaper and ma-

gazine advertising, and by other means calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven towns of the Monadnock Region.

18. To see if the Town will vote that beginning with the annual meeting of 1956 and thereafter, the transaction of all town business, except the election of officers, shall be adjourned to 7:30 p. m., or take any action thereon.

19. To see if the Town will approve printing in the town report, a list of all delinquent taxpayers as of the time town books are annually closed, or take any action thereon.

20. To see if the Town will vote to approve enlarging the Smithville cemetery on the Town property and to raise $500.00 for this purpose, or take any action thereon.

21. To see if the Town will vote to authorize the payment of $1.25 per hour to town workers, or take any action thereon.

22. To see if the Town will vote to authorize payment of $1.50 per hour to the town road agent, or take any action thereon.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and fifty-five.

LEO V. TOKO,
WILLIS F. MANSFIELD,
WALTER S. THAYER,
Selectmen of New Ipswich.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

October 19, 1954

Board of Selectmen
New Ipswich, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of New Ipswich which was made by this Division, acting under authority of Chapter 82, Section 27, of the Revised Laws of New Hampshire, which provides in part as follows:

> "Audit on Motion of Commission. The Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such. *******"

This audit covered the fiscal year ended December 31, 1953, and the period from January 1st to August 31st, 1954. Exhibits as hereafter listed are included as part of the report which is made up in three sections as follows:

Section I - Fiscal Year Ended Dec. 31, 1953.
Section II - Period Jan. 1st to Aug. 31st, 1954.
Section III - Ten Year Statement of Indebtedness, Valuation and Taxes.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Recreation Committee, Trustees of Trust Funds and Electric Light Department.

Financial Statements

Comparative Balance Sheets December 31, 1952-December 31, 1953: (Exhibit A)

Comparative Balance Sheets as of December 31, 1952 and December 31, 1953, are presented in Exhibit A. As indicated therein, the Surplus increased by $462.05 during 1953.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the Town during the year 1953 is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Increase in Surplus		
Increase in Accounts Receivable		$1,543.02
Decreases in Surplus		
Net Budget Deficit	$1,080.95	
Decrease in Cash in Hands of Officials	.02	
	———	1,080.97
Net Increase		$ 462.05

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C and D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1953, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of $1,615.22, less a net revenue surplus of $534.27, resulted in a net budget deficit of $1,080.95.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1953, made up in ac-

cordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of August 31st, 1954, is indicated in Exhibit K.

Electric Light Department: (Exhibits I, I-1 and 0)

The Electric Light Department section of the report is contained in Exhibits I, I-1 and 0.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

General Comments

Indebtedness, Valuation and Taxes:

Table I presents a ten year statement of Indebtedness, Valuation and Taxes, covering the fiscal years of 1943 to 1953, inclusive. It is noted that the Town remained in a surplus position during this entire period with no outstanding long or short term notes or bonds.

The assessed valuation of taxable property increased by $889,167.00, or 91%, while the amount of the annual tax levy increased from $27,884.00 to $85,884.00, or 208%. Uncollected taxes at the close of the fiscal year increased from $3,566.12 to $16,239.82, or 355%.

The local tax rate increased from $2.75 to $4.54 per hundred, compared to an increase in the average tax rate for the State during this period of $3.03 to $4.48.

Repairs to Selectmen's Offices:

It is noted that the appropriation account "Town Hall and Other Town Buildings" shows an overdraft of

$1,335.70. In explanation of this account, the Selectmen stated that the Town receives annually the income from the Barrett Trust Fund to be spent for some town purpose at the discretion of the Board of Selectmen. For several years this income has gone into the general fund with no expenditures made therefrom and no liability account set up in the balance sheets to earmark it as being reserved for a specific purpose. It has been the intent of the Board to use this accumulated income to supplement the appropriation for the repairs to the Selectmen's office.

It is recommended that (1) the Trustees of Trust Funds retain the income from the Barrett fund until requested by the Selectmen to turn it over and (2) any unexpended balance of income remaining in the general fund at the end of the year be included in the balance sheet as a liability account.

Town Treasurer's Checks:

It is recommended that the Town Treasurer countersign the Selectmen's orders, thus making the order negotiable, rather than to issue separate checks as has been the practice.

Surety Bonds:

It is noted that the Town Treasurer is bonded for $5,000.00. Inasmuch as the funds handled by this official last year exceeded $116,000.00, it is recommended that the surety bond be increased to $10,000.00.

The Town Treasurer also acts in a separate capacity as Treasurer of the Electric Light Department. It is therefore recommended that a separate bond in the amount of $5,000.00 be obtained for the Treasurer of the Electric Light Department.

The officials and employees of the Electric Light Department who make collections should also be covered by surety bonds. It is possible that a blanket bond could be obtained to cover all persons making such collections.

Electric Light Department:

The use of a cash book to record all receipts is recommended. The "date of payment," "name of remitter" and "amount paid" should be indicated therein. Postings should be made to the customers' ledger accounts from the cash book rather than from the meter reading book. Only "charges" should be entered on the customers' ledger from the meter reading book. Bank deposits should agree with cash book receipts on any given date of deposit.

To establish a more adequate control of Accounts Receivable, it is recommended that a monthly report be made by the bookkeeper to the Commissioners. This would be in summarized form as follows:

Accounts Receivable – Jan. 1, 1954	$.....
Charges During January	
	$.....
Accounts Paid During January	
*Accounts Receivable – Jan. 31, 1954	$.....

* This amount to be proved by adding machine tape, listing and totaling individual accounts receivable.

The adoption of payroll and job work forms was also discussed with the Electric Light Commissioners.

Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of New Ipswich for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER
Director
Division of Municipal Accounting
State Tax Commission
ALAN R. MATTHEWS, Auditor
HUGH J. CASSIDY, Accountant

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School district in the town of New Ipswich, qualified to vote in district affairs:

*You are hereby notified to meet at the Appleton Academy Auditorium in said district on the 8th day of March 1955, at twelve o'clock noon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

4a. To choose an Auditor for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see what sum of money the district will vote to raise and appropriate for the purpose of constructing the proposed addition to the Central School and to authorize the School Board to raise such sum by the issuance of serial notes or bonds in the name of and on the credit of the District in accordance with the provisions of Chapter 72 of the Revised Laws of New Hampshire and any revisions and amendments relating thereto, subject to any state or federal grants available now or in the future and applicable to this Article; the School Board to issue and negotiate such bonds and to determine the rate of interest thereon and the time and place of payment thereof and to take such other action as may be necessary to effect the issuance, negotiation and sale of such notes or bonds as shall be in the best interest of the New Ipswich School District, provided however, that such notes or bonds shall be issued for a period not exceeding ten (10) years, or take any action relating thereto.

10. To see if the district will vote to raise and appropriate the sum of $950 for the purpose of paying off the first year's interest on the aforesaid notes or bonds, or take any action relating thereto.

11. To see if the district will vote to raise and appropriate the sum of $1000 for the purpose of equipping the proposed addition or take any action relating thereto.

12. To see if the district will vote to raise and appropriate the sum of $200 for the purpose of purchasing insurance on the proposed addition or take any action relating thereto.

13. To see if the district will vote to raise and appropriate the sum of $3200 for the purpose of adding one teacher to the staff or take any action relating thereto.

14. To see if the district will vote to raise and appropriate the sum of $750 for the purpose of operating and maintaining the proposed addition or take any action relating thereto.

* Note: The School District Meeting will be opened at 12 o'clock to act upon the first four Articles. Balloting will continue until 6 o'clock at which time the meeting **will be adjourned to Wednesday evening, March 9, at 8 o'clock** to act upon the remaining Articles.

Given under our hands at said New Ipswich, this seventh day of February 1955.

MYRTLE M. KANGAS,
CHARLES E. FIRMAN,
MABEL M. ALDRICH,
School Board.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of New Ipswich:

I respectfully submit my eighth annual report as your Superintendent of Schools.

Instruction

Two changes occurred in the teaching staff this year. Miss Nathalie Castonguay was employed to teach a combination grade one and two, replacing Miss Nora Hurley who moved to Wilton. Miss Castonguay, is an alumnus of Appleton Academy and graduated from Keene Teachers College in June 1953. She taught one year in Mason, N. H., prior to coming to New Ipswich. Miss Pat Erickson was employed to teach Art in the Central School and Appleton Academy, replacing Mrs. Messenger, who resigned to teach nearer her home in Manchester. Miss Erickson comes to us with many years of teaching experience in public and private schools as well as achieving considerable renown as an artist. She is presently employed as the Art teacher at High Mowing School in Wilton and renders one day's service in New Ipswich schools. The pupils under her tutelage are achieving much success in this area and Art has proven to be a very worth-while addition to our program.

The remainder of the staff remains the same as last year. We are indeed fortunate in having such capable teachers and being able to retain them over a period of years. Thus we are able to maintain a continuity in our educational program and a philosophy of education that is producing good results with our children. Last year our program was outlined in some detail and since we are maintaining essentially the same program, there is no need to take up the space in this report to repeat this information.

We are constantly striving to emphasize certain areas of instruction where a felt need exists. This year our emphasis has been on Handwriting and Spelling. Excellent progress is being made as a result of this emphasis.

A complete testing program reveals the abilities and inabilities of individuals and classes, and interpreted carefully, can do much to guide the teacher in organizing her work. Our testing program was described in my report of two years ago. We are continuing to test achievement in all subject areas; innate abilities by intelligence and aptitude tests; and social and emotional maturity. These tests are frequently discussed with parents and we encourage discussions of this nature.

Space Problem

The major educational problem facing the New Ipswich voters is one of providing additional space to house the increasing number of pupils that is now, and will be, attending our schools. In last year's report, we estimated that we would have a school enrollment in grades one through six of 157 pupils. At this writing we have 158 pupils enrolled in the Central School. Each classroom is carrying 30 or more pupils, and our present facilities are decidedly over-taxed. We are bringing this problem to the voters via public meetings so that they may thoroughly know the situation and can give the problem due consideration prior to the School District Meeting. Plans will be presented and discussed, both at the aforementioned meeting and the annual district meeting. Article 9 in the Warrant will give the voters an opportunity to voice their approval or disapproval. Articles 10, 11, 12, 13 and 14 are related to Article 9 and dependent upon the action taken by the district voters. The most recent school enrollment surveys reveal the growth that is being experienced in New Ipswich in grades one through six:

1947	94	1951	123	*1955	150
1948	105	1952	133	*1956	158
1949	127	1953	151	*1957	168
1950	114	1954	158	*1958	180

*Estimated enrollments

The school lunch program has become a very definite part of an educational program. We are sending approximately 55 children up to Appleton Academy to participate in the lunch program, thus over-taxing their facilities. Any plans for an addition to our present plant should include facilities for a school lunch program. Our experience has been that when school lunch facilities are offered in a school the number of participants increases greatly. It is conceivable that we could be serving over 100 pupils per day with an enrollment of 150. There are many disadvantages to our present program, none of which can be remedied until additional space is made available, either at the Academy or at the Central School. It is conceivable, that with any expansion that is being considered at the Academy, this will just be keeping pace with the increased enrollments they are experiencing, and will experience.

Lands and Buildings

This past summer the School Board has installed a sound-proof ceiling in the basement, thereby eliminating the extreme noise level that existed when activities were being conducted in the basement area. We are able to use more efficiently this basement space without disturbing classes immediately overhead.

No major improvements are being considered in the present school plant this year. However, we are planning to continue our fencing program, and the next step is to install a fence along the northwest boundary of the playground area for which a sum of $670 is included in the budget. We are also contemplating developing an asphalt base play area on one section of

the playground for outdoor basketball and other games requiring lined and hard surfaces. This will in no way infringe upon the larger soft-ground area. Considerable attention needs to be given to providing adequate and proper play areas to take care of the increasing number of children who are and will be using the playground and equipment.

Finance

The School Board's Budget for 1955-56 calls for an appropriation of $69,311.95, an increase of $2,125.59 over that of last year. The major increases are reflected in the following areas: Teachers' Salaries $870; Operation of School Plant $430; Elementary Tuition $805; Capital Outlay $620; New Equipment $153; Statutory Obligations reflected in administrative items $188.06; Miscellaneous items $110. Decreases in the areas of Fixed Charges, Additions and Improvements and Interest Charges result in the net increase noted above.

The estimated income of the School District is very uncertain and dependent upon the action that will be taken by the New Hampshire Legislature, now in session. It is conceivable that New Ipswich will receive as much if not more State Aid than it did last year, dependent upon the amount the Legislature allots to State Aid. However, in the absence of any specific figure no amount from this source is estimated.

Conclusion

I wish to thank the New Ipswich School Board for their splendid cooperation and helpfulness in carrying out an effective educational program. To the Central School and Academy staff I wish to express my sincere appreciation for their untiring efforts in developing and carrying through a sound educational program.

NEWELL J. PAIRE,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

As School Nurse I made twenty-two visits to the schools of New Ipswich during the year 1953-54. After Thanksgiving there were many cases of mumps among the children and after Christmas chicken pox was present in a large number of cases. Each year seems to bring a different communicable disease to cause loss of school days and other problems.

The children were weighed and measured during the year and most showed a satisfactory gain. Some of the children were overweight and notes were sent to the parents. Being overweight causes as much difficulty as being underweight.

I tested the hearing of the children by means of the group audiometer and found that re-testing by means of the single audiometer must be done to check a few of the children again. The Snellon Chart was

used in the vision testing and there were ten children showing loss of vision.

I assisted Dr. Cayward in his examination of the children in the fall months of the school year. During April, May and June I aided in the Pre-School Clinic held at the Finnish Church by Mrs. Marie Fahey, State Public Health Nurse. This gave me an opportunity to meet many of the mothers of the first graders entering in the fall.

I made five home visits during the year to consult with parents about remedial measures to be taken in caring for the defects found by Dr. Cayward.

Defects found by Dr. Cayward:

Enlarged tonsils	32
Defective teeth	57
Broken arm	1
Heart murmur	2
Acne	10
Defective posture	2

Respectfully submitted,

SYBIL M. BEATHAM, R.N.,
School Nurse.
